License Activation

Peresoft activation information is available via the internet by retrieving the license information from www.peresoft.com.

This simple and easy activation process removes all the hassles of having to enter activation codes for the products you have purchased.

License Information

Select C/B Setup – License Activation – Licenses to display the licensing information of your Peresoft software and the Peresoft Products licensed to you.

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar (File, Settings, Help). Below the menu bar is a text box labeled "Licensed Peresoft Accounting Products:". There are input fields for "Client ID" and "Company", with a "Save" button next to the Client ID field. Below these fields are tabs for "Licenses" and "Users". The "Licenses" tab is active, showing a table with the following data:

Product	Version		
Peresoft Cashbook	2014	*** Unregistered ***	2014/01/07

Below the table, it says "Your license will expire on : 2014/01/07". At the bottom of the window, there are buttons for "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close". There are also input fields for "Maximum Users" (set to 0) and "Current" (set to 1).

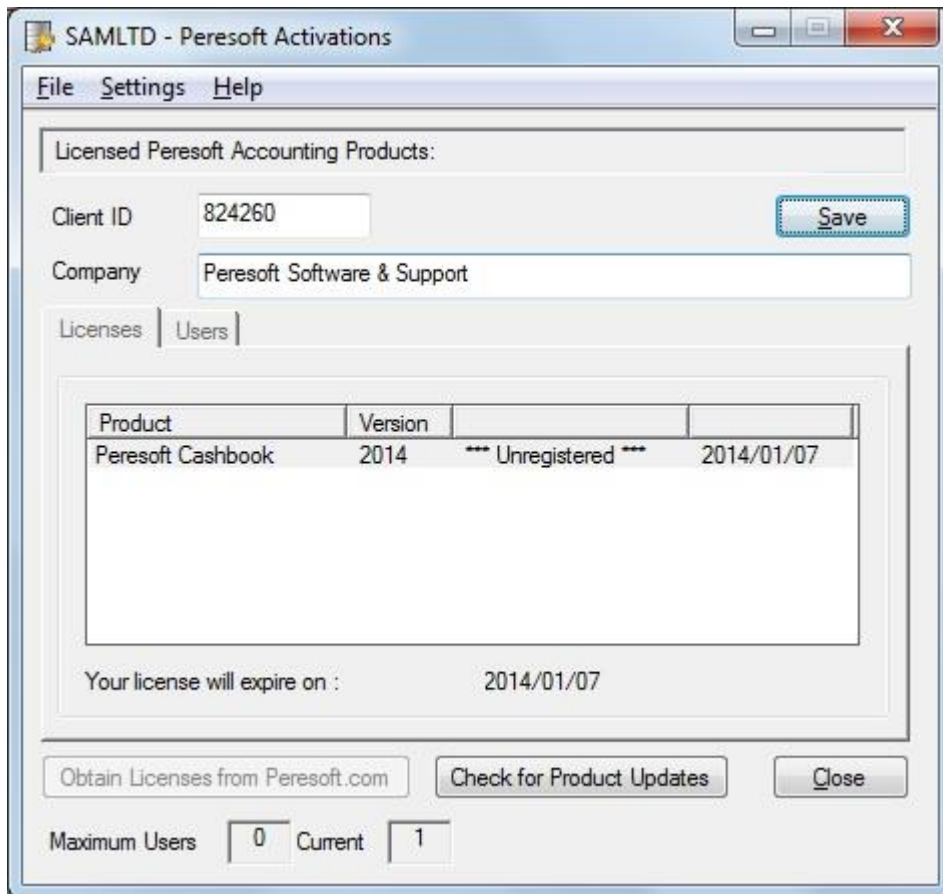

Client ID

In the Client ID field enter your Peresoft Client ID.

Company

Enter the exact Company Name under which your Peresoft products are activated.

Select the Save button.

Note: To change the information in the Client ID and Company fields select the “Change” button next to the Client ID field to enable the fields.

Once you have changed the information in the fields select the Save button.

The following message is returned "Changing your Client ID and/or Company Name will affect your license activation information. Do you want to continue?"

Select the Yes button to change the information in the fields or select No to keep the original information.

Activate Grace Period

Select C/B Setup – License Activation click on the Licenses tab and select the Insert key.

Select the product that you want to activate with a grace period from the list and tab off the field.

The product is activated with a Grace Period and the date on which the Grace Period will expire is indicated next to "Your license will expire on:"

Select C/B Setup – License Activation and click on the Users tab.

The following form will appear:

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar containing "File", "Settings", and "Help". The main content area displays "Licensed Peresoft Accounting Products: Premium Edition". Below this, there are input fields for "Client ID" (containing "824260") and "Company" (containing "Peresoft Software & Support"), with a "Change" button next to the Client ID field. A tabbed interface shows "Licenses" and "Users" tabs, with "Users" selected. Below the tabs is a table with columns "Serial Number", "Units", and "Expires", which is currently empty. At the bottom of the window, there are buttons for "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close". Additionally, there are input fields for "Maximum Users" (containing "0") and "Current" (containing "1").

Serial Number	Units	Expires
---------------	-------	---------

Select the Insert key to install New Lanpacs from a drop-down list of the Lanpac products.

The following form will appear:

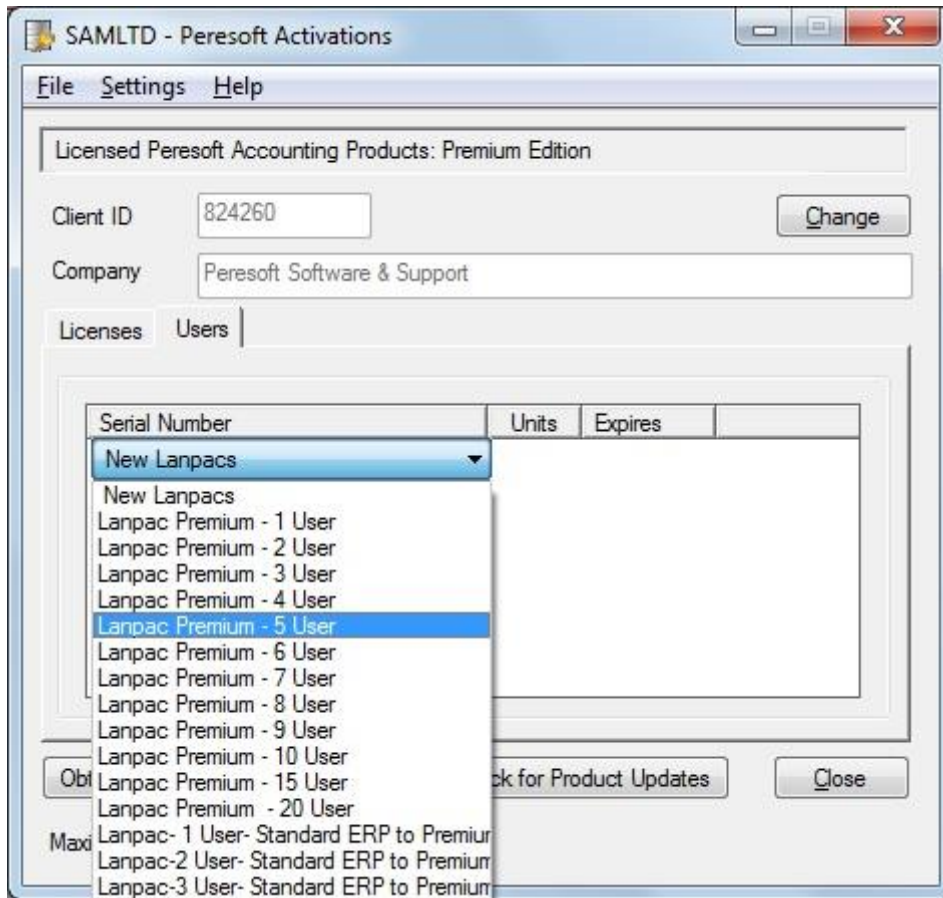

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar containing "File", "Settings", and "Help". The main area displays "Licensed Peresoft Accounting Products: Premium Edition". Below this, there are fields for "Client ID" (824260) with a "Change" button, and "Company" (Peresoft Software & Support). There are two tabs: "Licenses" (selected) and "Users". The "Licenses" tab contains a table with the following structure:

Serial Number	Units	Expires
New Lanpacs		

At the bottom of the window, there are three buttons: "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close". Below these buttons, there are two input fields: "Maximum Users" with the value "0" and "Current" with the value "1".

Select the Lanpac product you want to add.

Tab off the field and the Lanpac will be added with a Grace Period to obtain your licenses from Peresoft.

Note: The Cashbook Lanpac applies to RecXpress and EFTXpress for Cashbook but when activating RecXpress for Bank Services a RecXpress for Bank Services Lanpac must be activated with the Grace Period.

Activate Product Licenses

Select C/B Setup – License Activation – Licenses if you want to automatically activate your Peresoft products and if you have products with a grace period you want to activate.

Obtain Licenses from Peresoft.com

Select the “Obtain Licenses from Peresoft.com” button to link to the Peresoft website and automatically obtain your activation information and activate your Peresoft products seamlessly.

Note: You must ensure that you are able to access the Internet and specifically the Peresoft website (add Peresoft.com as a trusted website if necessary) from the device you are running the “Obtain Licenses from Peresoft.com” function on.

Update Software Assurance Expiry Date

Your license will expire on:

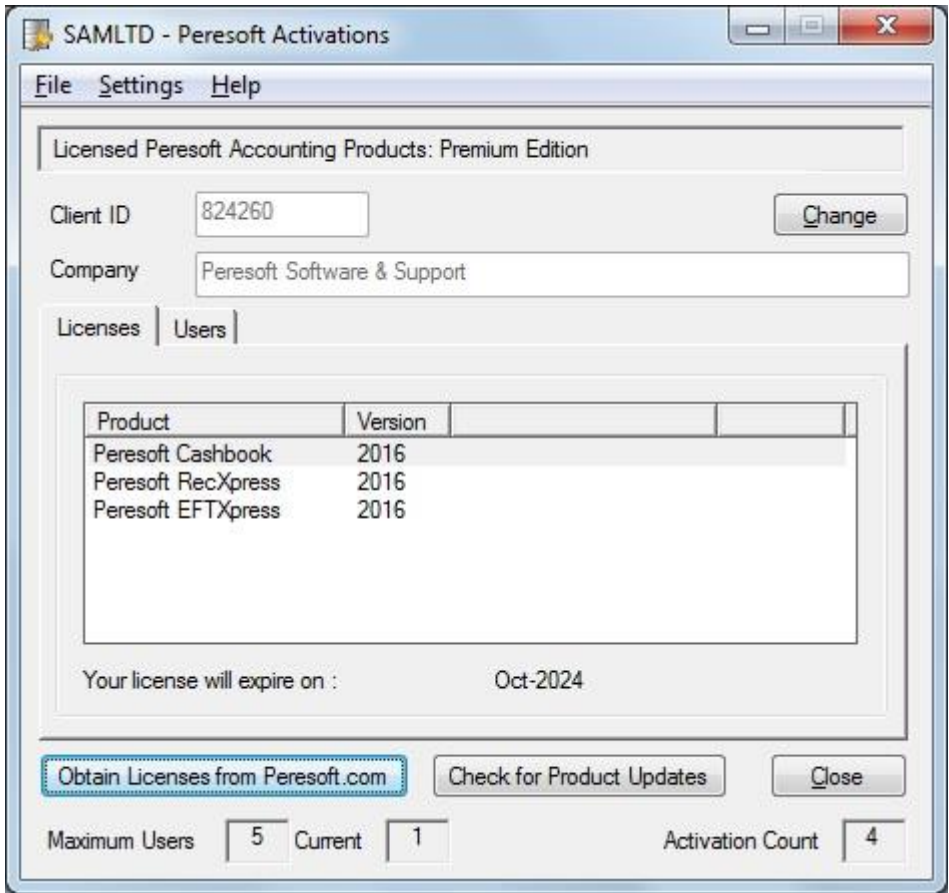

The date by which your current Peresoft product licenses must be renewed.

Note: You must renew your Peresoft Product licenses before this due date and then select the “Obtain Licenses from Peresoft.com” button to automatically link to the Peresoft website and seamlessly obtain your new activation information, activate your Peresoft products and update your Software Assurance expiry date with the new expiry date.

Activation Count

You are only allowed to activate your Peresoft products once. After running the Obtain Licenses from Peresoft.com function the Activation Count indicating how many times your Peresoft products have been activated is displayed in the bottom right of the form.

Note: If you need to activate your Peresoft products again you must contact Peresoft to provide a valid reason.

Company: Peresoft Software & Support

Licenses Users

Serial Number	Units	Expires
---------------	-------	---------

Obtain Licenses from Peresoft.com Check for Product Updates Close

Maximum Users: 0 Current: 1

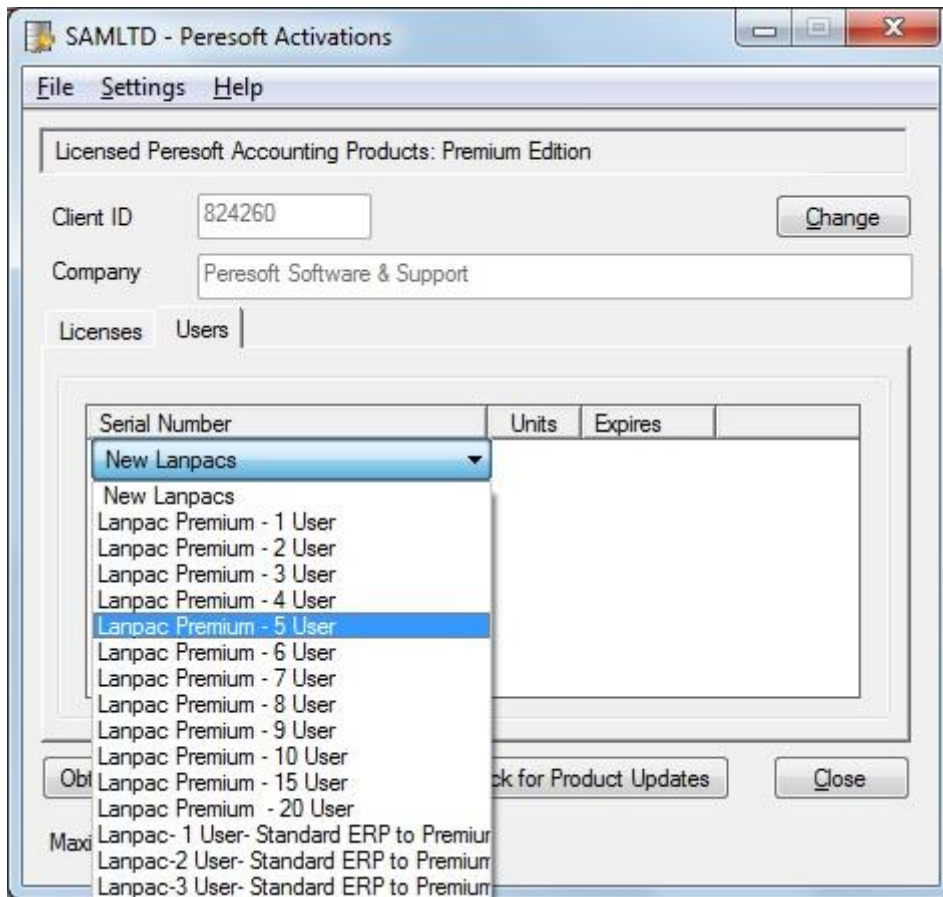

Select the Insert key to install New Lanpacs from a drop-down list of the Lanpac products.

The following form will appear:

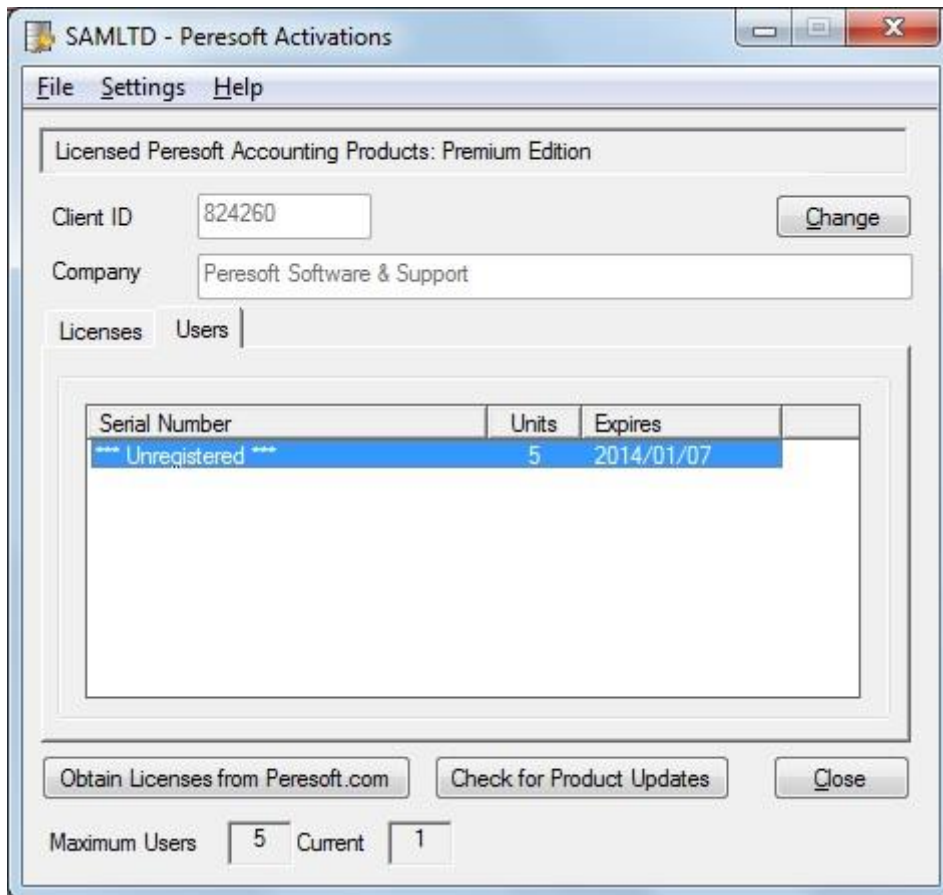

The screenshot shows a window titled "SAMLTD - Peresoft Activations" with a menu bar containing "File", "Settings", and "Help". Below the menu bar is a text field containing "Licensed Peresoft Accounting Products: Premium Edition". There are two input fields: "Client ID" with the value "824260" and a "Change" button to its right, and "Company" with the value "Peresoft Software & Support". Below these fields are two tabs: "Licenses" (selected) and "Users". The "Licenses" tab contains a table with columns "Serial Number", "Units", and "Expires". A dropdown menu is open under the "Serial Number" column, showing "New Lanpacs" as the selected option. At the bottom of the window, there are three buttons: "Obtain Licenses from Peresoft.com", "Check for Product Updates", and "Close". Below the buttons, there are two input fields: "Maximum Users" with the value "0" and "Current" with the value "1".

Select the Lanpac product you want to add.

Tab off the field and the Lanpac will be added with a Grace Period to obtain your licenses from Peresoft.

To activate an additional Peresoft Lanpac product select the Insert key.

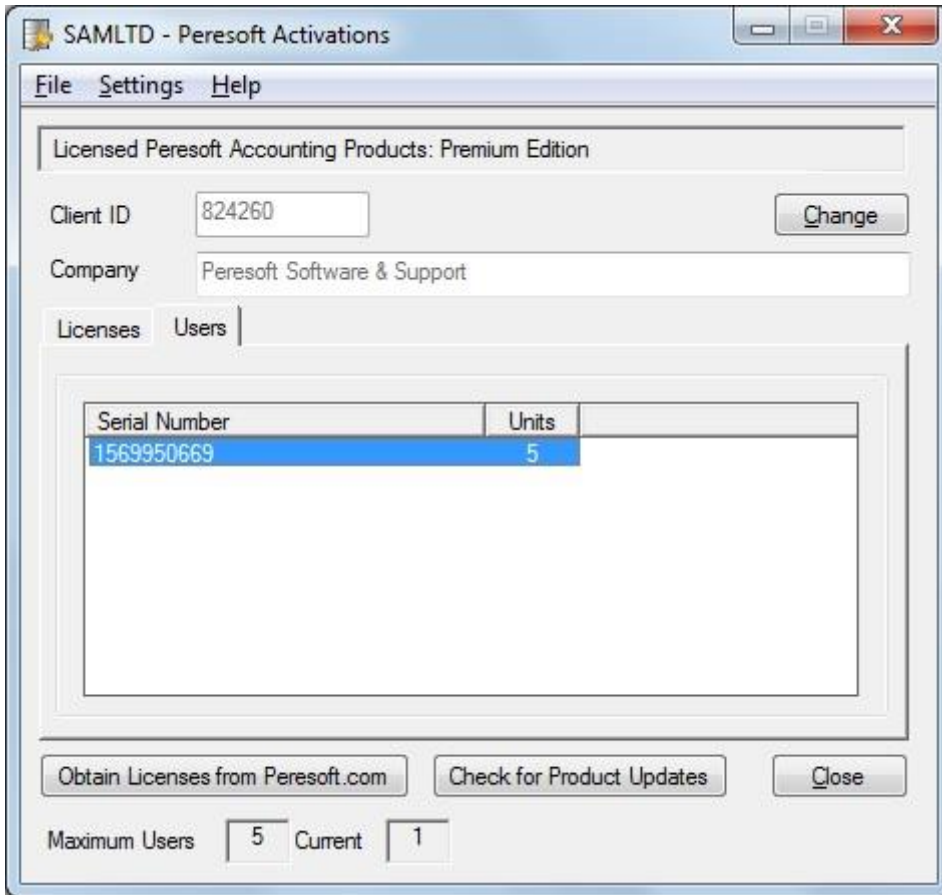

A drop-down list of the Peresoft Lanpac products is displayed.

Select the relevant Peresoft Lanpac product from the list and select the tab key.

The product will be added to the list with ***Unregistered*** next to the product.

Select the "Obtain Licenses from Peresoft.com" button to link to the Peresoft website and automatically obtain your activation information and activate your Peresoft Lanpac products.

The Lanpac is now activated.

If you want to delete Lanpacs that have been added select the Delete button.

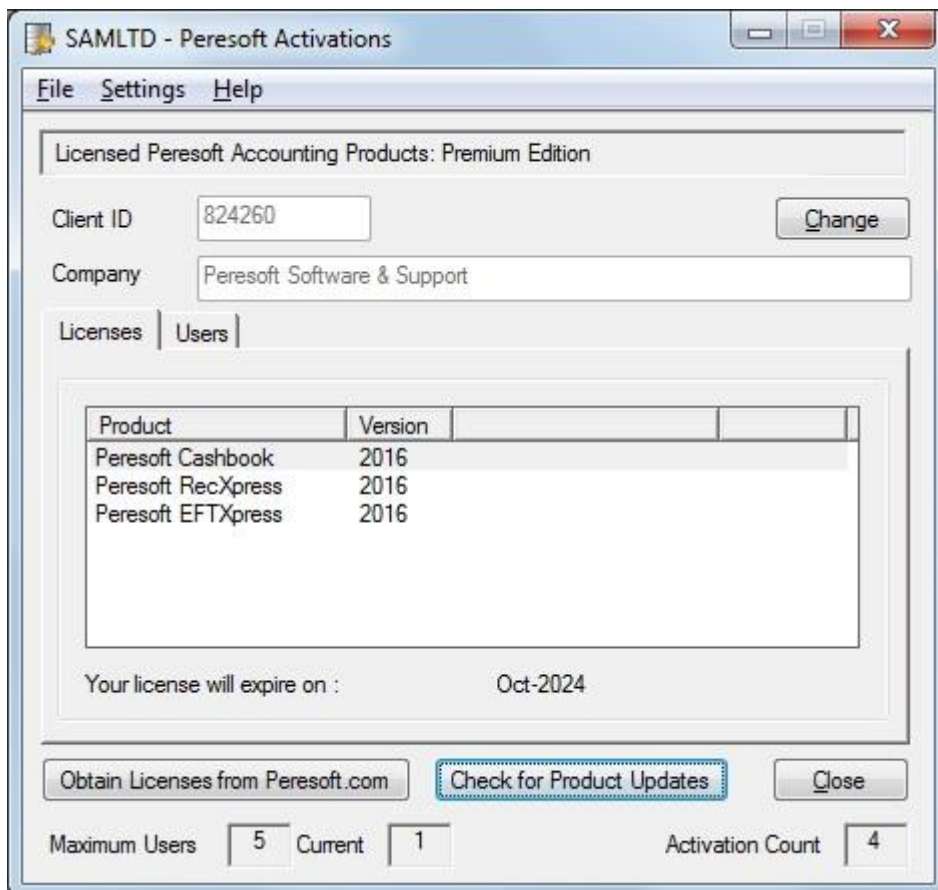

Select Yes to delete the Lanpac or No to keep the Lanpac.
